### AMENDMENT AND RESPONSE TO SECOND RESTRICTION REQUIREMENT

In response to the December 8, 2008 Second Restriction Requirement, Applicants elect Group III, with traverse as to Group IV. Claims of Groups I and II are cancelled, and may be pursued in future divisional applications.

Group III consists of Claims 105-107 and 140, drawn to a plant extract from black raspberry. An election of species was also required. Applicants elect the species of an extract of black raspberry with the additionally added compound of ellagic acid, a derivative of gallic acid. Claims that read on the elected species are claims 105, 106, and new claim 140.

Amendments to the Claims are reflected in the listing of claims which begins on page 2.

Remarks/Arguments begin on page 7.

It is believed that no fee is required to submit this response. If that belief is incorrect, please refer to the Deposit Account Authorization previously filed with this application. If any additional extension of time is required, please consider this paper a petition for the total extension of time required.
